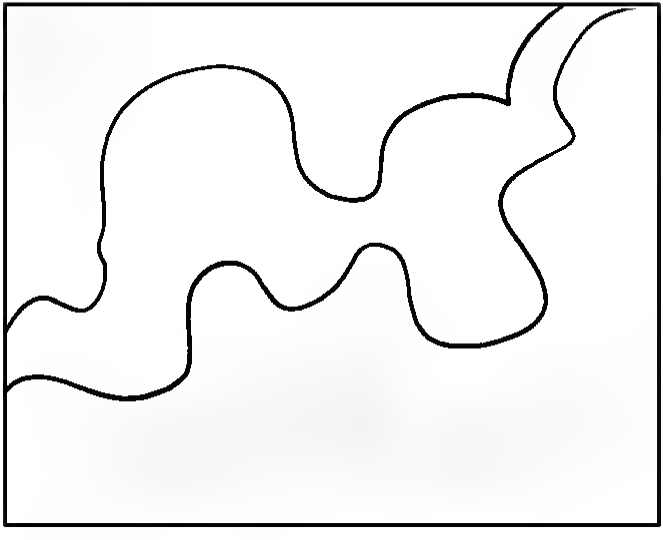
Hello Po! So happy I can finally meet you!
Hi Foxy.

Thanks for helping RSJ during the time I wasn't here!
Not at all, I should thank you and RSJ for letting me work here.
I'm sure you two will get along well.

Now that Foxy is back at RSJ,

everything seems to return to normal.

Except...



brrrrrr....

Ahh! I missed your coffee, Foxy!

Take one too, Po!
Thanks.

You must try Foxy's coffee, it's simply the best!
It's very tasty.

I'm from Israel, and apparently the national animal is the hoopoe bird: Didn't know that and never even seen that bird anywhere around, but it's a nice one.

Readers from Israel!

The Hoopoe is a colorful bird with a distinctive feather "crown". It has a call that sounds like oop-oop-oop. It is widespread across Europe, Asia and Africa. The hoopoe was chosen as the national bird of Israel in 2008 along with the country's 60th anniversary.
